1992 Ridgedale Rocket State Baseball Champions

Greetings Champions,

I would like to invite you and your families to Ridgedale for a rededication of the Baseball field to Coach Jim Gerfen as well as honoring the 1992 state championship team on Saturday, April 01, 2017. We play a double header on Saturday April 1st against Harvest Prep at 11:00am and 1:00pm. I would like to honor the team and coach Gerfen in between the games, approximately 12:30pm at the field we will introduce all former players and re-dedicate the field to Coach Gerfen with a new sign as you enter the baseball field. In case of inclement weather, I would still like to have this ceremony in the RHS cafeteria. Following the honoring, we will have juice and cake in the high school cafeteria. It is a busy Saturday at Ridgedale, as this will also be the 19th annual David Schorr Track and Field invitational held at the stadium. So, it will be a very busy and fulfilling day, I hope you can attend and take part in the day, please let me know if you will or will not be attending and how many so I can plan on numbers, thank you.

Sincerely,

Greg Rossman
